Mr. Josh Stein  
 NC Attorney General  
 9001 Mail Service Center  
 Raleigh, NC 27699-6400  
 Fax: (910) 716-6750

Dear Mr. Attorney General,

I am writing this letter to make your office aware of the serious situation in Columbus County involving the election of our Sheriff.

On November 6, 2018, Jody Greene led incumbent, Sheriff Lewis Hatcher by 47 votes. I filed a protest of the election with the Columbus County Board of Elections because of several irregularities in the election. My protests, along with the protest of others were denied.

Appeals have been filed with Columbus County Board of Elections. While waiting for the appeals process to take place, Jody Greene was sworn in as Sheriff of Columbus County.

It is the position of the Columbus County Democratic Party that the swearing in of Jody Greene is premature, given the irregularities of the election process in the November 6, election process and because the appeal process to the North Carolina State Board of Elections has not run its course.

It is our position that Sheriff Lewis Hatcher should still be considered Sheriff of Columbus County, North Carolina until the issues surrounding the irregularities of the November 6, election be resolved.

Because this election should not have been certified due to the pending protests and evidence of irregularities in the election process, we believe we are now without a legitimate chief law enforcement officer in Columbus County North Carolina. We are asking that your office take whatever appropriate action necessary to assure that Columbus County has a legitimate head of law enforcement for our jurisdiction. We need an official in this office who officially lives in this jurisdiction and is certified to be the chief law enforcement officer in our community.

We are therefore asking that Sheriff Lewis Hatcher be reinstated as Sheriff of Columbus County, North Carolina until which time the North Carolina Board of Elections can officially certify a winner of the election for Columbus County Sheriff.

With kindest regards, I am

Sincerely,  
**(No Signature on Letter)**  
 Franklin Thurman, Chairman  
 Columbus County Democratic Party

CC: Governor Roy Cooper  
 NC Board of Elections  
 Columbus County Board of Commissioners  
 Columbus County Board of Elections  
 Columbus County Attorney

-I am sure, although we do not have a response, you will let us know, in your own way, your decision; **and**  
 -Thank you.

5. **Gloria Smith, 2268 Pinelog Road, Whiteville, NC 28472:** stated the following:
  - The State says that Lewis Hatcher is still our Sheriff;
  - Jody Greene and his department is not our Sheriff, and they have no right to arrest anybody; **and**
  - Our civil rights have been violated.
6. **Charles Roberson, 359 High Archer Street:** stated the following:
  - I pay taxes in Columbus County;
  - Jody Greene does not live in Columbus County;
  - This is very wrong, and I am sick about it; **and**
  - It is time to do something.
7. **Mirando Pridgen, Whiteville, NC:** stated the following:
  - You gentlemen have a task in front of you;
  - Peace lines are drawn, and there is an enemy who wants to destroy Columbus County;
  - Make a spiritual decision; **and**
  - There is racism there and please do what is right.
8. **Steve Creech, 1800 Lennon Road, Delco, NC:** stated the following:
  - I own a logging company and work in several counties;
  - Our Sheriff's Department is a joke compared to other counties;
  - We have no coverage in the Delco area; **and**
  - Hatcher should not go back in office.
9. **Andy Anderson, 118 East Oliver Street, Whiteville, NC 28472:** stated the following:
  - What will happen twenty (20) years from now;
  - I live in Columbus County and I love Columbus County;
  - This has become a racist issue;
  - We need to take higher ground; **and**
  - Integrity counts.
10. **Elsie Jones, 1963 Tom Sessions Road, Farmers Union Area:** stated the following:
  - I live in the Farmers Union Community, and to help with the crime rate, we formed a Community Watch Group, which I am the President; **and**
  - We all worked together and now our community is safe for the children, elderly and other people, and the Community Watch Group was an ace.

**Agenda Item #8: COLUMBUS COUNTY SCHOOLS - LOCAL CONTROL of SCHOOL CALENDARS:**

Jonathan Williams, Interim Superintendent, Columbus County Schools, requested Board approval and adoption of the following Resolution Supporting Local Control of School Calendars.

**RESOLUTION SUPPORTING LOCAL CONTROL of SCHOOL CALENDARS**

**WHEREAS**, the North Carolina General Statutes give local boards of education powers of supervision and control of local school systems; **and**

**WHEREAS**, local control over establishing school calendars is an integral component of school system supervision and administrative powers with which local boards of education have been vested; **and**

**WHEREAS**, in 2004 the North Carolina General Assembly seized control of setting school calendars and imposed a one-size-fits-all mandate on how school calendars are to be set; **and**

**WHEREAS**, the current one-size-fits-all school calendar start date is no earlier than the Monday closest to August 26 and the end date is no later than the Friday closes to June 11; **and**

**WHEREAS**, the State mandated late August start date means high schools do not complete the first semester until mid to late January; **and**

**WHEREAS**, the current law essentially requires high school students to take first semester exams after the winter break, which negatively impacts test scores, according to students and educators; **and**

**WHEREAS**, the second semester for high schools starts two (2) to three (3) weeks later than community colleges and universities; **and**

**WHEREAS**, superintendents report that the calendar misalignment makes it nearly impossible for high school students or recent winter graduates to take courses at a nearby community college or university during the second semester; **and**

**WHEREAS**, exams for Advanced Placement and International Baccalaureate classes are given on the same day nationwide, and the current calendar law shortens the amount of time North Carolina's students have to learn the material before test day; **and**

**WHEREAS**, it is well documented through multiple studies that children will experience a phenomenon known as summer learning loss, which has a disproportionate impact on low-income children; **and**

**WHEREAS**, long summer breaks can also negatively impact child nutrition, as low-income children who have access to regular meals at school through the free and reduced priced meal program may not have access to regular meals at home; **and**

**WHEREAS**, with little flexibility built into the calendar, scheduling make-up days is extremely challenging; **and**

**WHEREAS**, major hurricanes and severe winter snowstorms have caused the Columbus County Schools to miss twenty-two (22) school days over the past three (3) years; **and**

**WHEREAS**, Columbus County Schools were only able to make up eighteen (18) missed days over the past three (3) years; **and**

**WHEREAS**, fall sports and band begin August 1, schedules for extracurriculars have not changed to coincide with the State-mandated school calendar; **and**

**WHEREAS**, local boards of education are best equipped to understand the balancing act of meeting the community's needs and maximizing student success; **and**

**WHEREAS**, restoring local control of school calendars will allow local boards of education to best meet the calendar preferences of the families, educators, and businesses in our community while allowing for innovative experimental approaches to improve student achievement.

**NOW, THEREFORE, BE IT RESOLVED** the Columbus County Board of Education requests the Columbus County Board of County Commissioners pass a resolution in support of calendar flexibility.

**Agenda Item #16: PRIVATE CITIZEN - DISCREPANCY OF SHERIFF:**

Calvin Norton, private citizen, delivered the following information relative to the discrepancy of the election of the Sheriff. Mr. Norton stated the following:

1. It is the duty of the North Carolina State Board of Elections to have a fair election, both statutorily and constitutionally;
2. They have failed, and the reason is ill advice being delivered;
3. The only issue and main thing is residence of Columbus County, by Jody Greene and Lewis Hatcher;
4. From the information listed by Jody Greene in February, 2018, his residence is 1049 Mill Page Road, Cerro Gordo, North Carolina 28430;
5. Based on the records from the Columbus County Tax Office and the Columbus County Register of Deeds Office, there is no dwelling listed on the property listed as his address;
6. Due to some of the procedures followed and the timing of the procedures, there are areas that need to be addressed;
7. I have been informed that this is up to the North Carolina State Board of Elections; **and**

  - We need to let the law and process settle this matter.
6. **Chairman Burroughs:** stated the following:
