-This is an area that previously has not been in a fire district;

- I would like to thank Shannon and his crew for their work;
- We started this process last summer and Shannon has walked us through the stages;
- Tabor city made the decision to go to automatic mutual aid with our fire department, and it has taken time for us to get there;

Agenda Item #9: SOCIAL SERVICES - MONTHLY ADMINISTRATIVE UPDATE:

Algernon McKenzie, Social Services Director, delivered the Social Services Monthly Administrative Update.

On April 10, 2019 a short agency staff meeting was held. During this meeting, I discussed some safety concerns with staff. I have asked that vendors and visitors check in at the front desk so we are aware of who is in the building. I also reminded staff not to prop doors open for co-workers to enter the back or side doors.

I told staff we must work together as a team to get the work done and serve the public. This is not the place for gossip and stirring up trouble.

Staff was informed that April is Child Abuse Prevention month and was invited to the April 30, 2019 observance service held at the health department.

The Proclamation given by the Board of County Commissioners in observance of Social Work Appreciation month was read to staff and all social workers were recognized.

On April 11, 2019 I attended the Director’s Executive Board meeting in Raleigh, North Carolina. During this meeting, we received some information about the Memorandum of Understanding that was signed between DHHS and local counties. The agreements have been changed due to the fact that some data reports are incorrect. Therefore, some of the measures counties are being required to meet will not have corrective actions until the date can be validated. We were informed we would be receiving an updated Memorandum of Understanding soon and it will have to be signed again. They will also be sending information about the measures that are not included.

We were informed the State is looking at Child Protective Services Intake across the State. They are interested in how the process varies from county to county. They will be conducting a survey to capture that information.

We were also given information about the Privacy Act HIPPA. Counties need to ensure security software is updated and should not be using unsupported software or outdated firewalls. This could cause a problem with the privacy of agency information. We were informed to contact the State if there was ever an issue.

The Division of Childhood Development and Early Education has informed us that counties are not to add children from the waiting list at this time, due to the high level of spending statewide for child care. They will let us know when and if to add children on child care subsidy.

Lastly, committee reports were given and we were encouraged to attend the Director’s annual meeting in May.
On April 15, 2019 there was a statewide call about Medicaid Managed Care and how it will impact non-emergency Medicaid Transportation. We were informed, the local DSS agency will continue to arrange transportation for some individuals and for disability hearings. The health care plans that are selected will be responsible for arranging all other transportation for beneficiaries. They will also be responsible for completing the annual assessments. The State will provide more information to counties, as there are still many unanswered questions. The five health plans will be reaching out to local transportation providers to develop contracts to provide services to beneficiaries.

**News/Updates/Vacancies**

**Adult and Family & Children’s Medicaid:**

Workers and supervisors are beginning to train and learn what will be happening as Medicaid transitions to Managed Care. Mail from the State office will be going out soon asking all of our Medicaid recipients if their address with us is correct. This will ensure that the “welcoming packets” they will soon be receiving letting them know to choose a Prepaid Health Plan goes to the correct address. If a beneficiary does not choose a Plan, they will automatically be assigned one by the Enrollment Broker. This will increase our phone calls greatly. The Medicaid teams have passed all compliance timeframes this month and continue to struggle as we continue to have staff turnover. We have 2 vacancies on the Adult Team. The Family and Children’s Medicaid Team continue to help the Food and Nutrition Review team.

**Food and Nutrition:**

April is the last month our client’s benefits were issued early due to the Government Shutdown. The Review Team continues to struggle with recertifications that were due in April from the State completing automatic extensions from Hurricane Florence. Workers from other departments had to pitch in and help in order for us to get these completed timely. The Intake/Processing Team also met their compliance timeframes. We continue to have 2 vacancies, however we have interviewed and have recommended 2 for hire.

**Child Support and Paralegal:**

Child Support was allowed 3 court days in April and prepared 274 cases for court. It is crucial for agents to try to collect as much as possible each court day in order for us to stay on track with meeting our goals of the Memorandums of Agreements the State has set forth for counties to meet.

Our new Paralegal continues to learn the process of Child Support orders and other duties that she will have.

**Work First Cash/Medicaid Transportation/Interpreter/Maintenance and Housekeeping/Deputy:**

- Medicaid Transportation had a conference call this month explaining how Managed Care would affect the county process. Those categories of Medicaid that it will not affect will still have to use the same procedures for their transportation. Those clients that have to choose a Prepaid Health Plan will have to go thru their Plan to arrange transportation, it will not be done on the local level beginning February 2020.
- WorkFirst/Cash continues to meet their compliance timeframes.
- Our Interpreter remains busy with interpreting and assisting in transportation when needed.
- Maintenance and Housekeeping continue to keep our facility clean.
- Our deputy continues to do a great job with security. We continue to have clients that get irate in workers’ offices due to State policies where they are not eligible for things such as Medicaid or Food and Nutrition or policies they must comply with for Child Support. He also deals with irate parents when their children have been placed in Foster Care and
sometimes an older child that is still in Foster Care “shows out”, he is always there to help keep the situation in control.

HUMAN SERVICES BOARD REPORT
Melinda H. Lane, Program Manager

Vacancies/Updates/News for April 2019

Intake/Investigation/Assessment:
The Intake/Investigation/Assessment Unit continues to be fully staffed and very busy! Child Welfare go-live for NCFAST for Columbus County has been temporarily halted at this time due to many issues with the NCFAST system that are creating double work, incorrect data, loss of staff, and ultimately will affect the ability to meet performance measures and could affect children’s safety and well-being. This Unit is currently preparing for changes in the Child Welfare Manual that will go into effect in May and an upcoming state review that is tentatively planned for June.

In-Home Services:
The In-Home Services Unit continues to be fully staffed. This Unit is currently preparing for changes in the Child Welfare Manual that will go into effect in May and an upcoming state review that is tentatively planned for June.

Foster Care:
The Foster Care/Adoptions Unit is now fully staffed due to a new hire that began in March. She will be taking the required Pre-Service training before she can begin with a caseload. Caseloads slightly higher this month, mainly due to children that are dependent and do not have a legal guardian or parent to provide for them. Most of the other new children that have recently come into custody, mainly due to parental substance abuse, have been newborns and very young. This Unit is currently preparing for changes in the Child Welfare Manual that will go into effect in May and an upcoming state review that is tentatively planned for June.

Transitional Unit:
The Transitional unit continues to plan events for LINKs foster children and Foster/Adoptive Parent Recruitment. This Unit is also very busy assisting the other Child Welfare Units with courtesy visits, etc. All staff have had busy caseloads. This Unit recently lost a Social Worker who left the agency. Interviews were recently conducted. This Unit is currently preparing for changes in the Child Welfare Manual that will go into effect in May and an upcoming state review that is tentatively planned for June.

Adult Services:
The Adult Services Unit is now short-staffed due to a Social Worker resigning in April. This Unit continues to encounter more and more issues with homeless adults and adults with mental health issues which creates other problems because of the slow response time of mental health agencies. A tremendous amount of time is being dedicated to assisting those adults with mental health issues that are unable to be independent and unable to manage their own funds, etc. Members of this Unit continue to cross-train in order to work together more efficiently. The addition of another position in this Unit may be a future request to help with the increasing caseloads.

Work First Employment:
This Unit continues to be fully staffed. The Work First Employment Unit continues to work within the NCFAST system with daily issues. This Unit continues to assist with 200% and Emergency Assistance for those eligible. Participation rates are becoming a hot topic again which will require staff to make more contacts out in the community.

Child Day Care:
The Child Day Care Unit continues to be fully staffed. This Unit continues to work within the NCFAST system dealing with daily issues and updates. The waiting list continues to grow which is a concern for staff, but this Unit continues to monitor the list and occasionally works the list in an attempt to decrease the list by small amounts.

Program Integrity:
Program Integrity continues to work hard to get caught up with program integrity duties and cases. Program Integrity went live in NCFAST in January. There are issues with NCFAST having data that correctly reflects the actual work of staff. Numbers are being reported as incorrect on reports for all counties Live in NCFAST. We are down to three temporary workers assisting in the
Energy Programs and numbers will decrease over the next few weeks, although it will be necessary to keep at least one worker due to funding continuing to be available. A couple of these workers are currently assisting with the cleanup of our storage units that were flooded during Florence. In April, 23 applications for CIP (Crisis Intervention Program) were completed with 23 approvals and 9 applications for LIEAP (Low Income Energy Assistance Program) were completed with 1 approval.

Agenda Item #10: SOCIAL SERVICES - MEMORANDUM OF UNDERSTANDING:

Algernon McKenzie, Social Services Director, requested Board approval of the resigning of the Memorandum of Understanding (Fiscal Year 2019-20) Between the North Carolina Department of Health and Human Services and Columbus County.

Commissioner Prevatte made a motion to approve the re-signing of the Memorandum of Understanding (Fiscal Year 2019-20) Between the North Carolina Department of Health and Human Services and Columbus County, seconded by Commissioner McDowell. A copy of this document will be kept on file in the Social Services Department, and in the Clerk to the Board’s Office for review.

Agenda Item #11: AGING - DEPARTMENTAL UPDATE:

Amanda Harrelson, Director of Aging, delivered the following Departmental Update.

The Columbus County Department of Aging and Adult Services (CCDOA&AS) primary mission is to provide services that are needed to the Senior Citizens of Columbus County and to the adults ages 18 and up that are on Medicaid and qualify for Personal Care Services (PCS) and the Community Alternative Program for Disabled Adults (CAP/DA). We do this through our programs at the CCDOA&AS. We provide In-Home Services through our Home and Community Care Block Grant (HCCBG), Family Caregiver Grant, and Medicaid for the PCS and CAP/DA program. We also provide assistance with meals with our Home Delivered Meal Program and Congregate Meal program. We also have an Ensure program that we sell at cost provided the client has a current prescription from their doctor. This has to be updated yearly. In order to help the seniors stay healthy and active we have an exercise program at each of the 7 location, we provide trips, and activities for the seniors also, such as the Prom, Senior Day at the Fair, and a Senior Picnic every May. Agenda Item #17:  PUBLIC INPUT:
Chairman Burroughs opened the floor for Public Input.  No Public Input was received either orally or written.

Agenda Item #19:  SOUTHEASTERN COMMUNITY COLLEGE - USE of LOCAL OPERATIONAL FUNDS to PROVIDE SUPPLEMENTAL COMPENSATION for the PRESIDENT:
Henry Edmund, Chairman, SCC Board of Trustees, requested Board approval to use local operational funds to provide supplemental compensation for the President when needed.

Mr. Edmund stated the following:
- I am Chairman of the Southeastern Community College Board of Trustees;
- I request that the Board allow Southeastern Community College to use local operating funds to provide supplemental compensation to our President;
- We need it as an incentive to retain that person that we feel is well deserving of leading our college;
- This request is fully supported by the complete Board of Trustees and the College Foundation Board;
- Until approximately five (5) years ago, we used operating funds to supplement packages for our president;
- Through communication, we were told we could no longer use the operating funds to support that supplement;
- We want to use these funds at our discretion;
- Through research, I discovered we are the only community college in North Carolina that does not pay a supplement for the president;
- Our president’s salary is a Class 1, Tier 1 and is a $142,000 salary;
- Our president is the lowest paid president in North Carolina; and
- We want to be able to use these funds at our discretion.

MOTION:
After discussion was conducted, Commissioner McDowell made a motion to table the Agenda item until the next meeting, seconded by Commissioner Prevatte.

SUBSTITUTE MOTION:
Commissioner Bullard made a substitute motion to allow the Southeastern Community College Board of Trustees to make the decision to use the operating funds to supplement the President’s salary to an amount not to exceed twenty thousand and 00/100 ($20,000.00) dollars. The motion did not receive a second. The motion dies for a lack of a second.
