Agency Name: **Children's Developmental Services Agency (CDSA) of the Cape Fear**

Phone: 910-251-5817 or 1-877-763-3120

Website: www.bearly.nc.gov

Services: The North Carolina Infant-Toddler Program (ITP) provides services for the development of infants and toddlers with special needs, and their families. Children's Developmental Services Agencies (CDSAs) administer these services locally to enhance your child's potential for growth and development. A child and family may receive supports and services if the Child is: up to 3 years old and has a developmental delay or Established condition. Some services available to help your child and family include: evaluation, service coordination, special instruction, physical, occupational, and speech-language therapies, assistive technology, family support. Referrals are made to the Children's Developmental Services Agency through a simple call to an intake coordinator who will help guide you through the referral process. Parent or guardian permission is required for enrollment in the Infant-Toddler Program.

Agency Name: **Beginnings for Parents of Children who are Deaf or Hard of Hearing**

Services: Beginnings is a free resource for NC parents of children who are deaf or hard of hearing. Our goals include educating parents about hearing loss, the different languages and communication modalities used by people who are deaf and hard of hearing, and about the choices parents will need to make to ensure their child acquires age-appropriate communication and language skills. We listen to concerns and connect parents with local and national resources and to other parents so they can talk to someone who has been in their shoes. We also educate professionals who work with children with hearing loss such as daycare providers, grandparents, and other service providers who work with the child. During the transition from Early Intervention Services to the school system, we help empower parents to make decisions that are best for their child and their family and to advocate to ensure their child is receiving appropriate services and accommodations. All of these services are free and continue from birth to 22 years of age. Please contact us at www.ncbegin.org or 919-715-4092 for a referral form if you are a family or professional in need of services.

If you have updates/additions, please contact us on the Columbus County Community Collaborative Facebook Page, by email at CoCoCollaborative@gmail.com or contact the Collaborative directly. Meetings are generally held the 3rd Wednesday at 10:30 a.m. at the Columbus County Department of Juvenile Justice conference room in Whiteville.
