## System Pressure Advisory!

Water service has been restored to the water consumers of Columbus County Water & Sewer District III.

Laboratory samples have confirmed that there are no disease-causing organisms present in your water.

The state has given the County permission to rescind the boil water advisory. Therefore, it is not necessary to continue boiling water that is used for human consumption.

This advisory was rescinded on February 23, 2018 by:

Harold Nobles, Interim Director  
Columbus County Water & Sewer District III  
910-642-5257
