COLUMBUS COUNTY COVID-19 UPDATE: SEVENTH COVID-19 RELATED DEATH & NO NEW CASES

Columbus County, NC – Columbus County is reporting the seventh COVID-19 associated death. The individual was hospitalized and passed away on April 26. The individual was one of the previously identified positive cases in Columbus County. To protect the families’ privacy, no further information about this individual will be released. We offer our deepest condolences and sympathies to all of the individuals’ family and friends in this very difficult time.

Columbus County has no new cases of COVID-19 to report today. Our current total number of COVID-19 cases stands at 90. We are still BEGGING everyone to take the necessary measures to stop the transmission of COVID-19. The ONLY way to reduce the transmission of COVID-19 is social distancing; there is no vaccination. The Columbus County Health Department would like to remind everyone of the recommended measures to prevent the spread of COVID-19, which are:

- Social distancing (e.g. avoiding crowds, self-quarantining)
- Wearing a mask or face covering when in public places
- Washing hands frequently with soap and water, and for at least 20 seconds each time
- Avoid touching your eyes, nose and mouth with unwashed hands
- Avoid close contact with people who are ill
- Cover your mouth and nose with a tissue when you cough or sneeze, throw it away, and then wash your hands
- Do not reuse tissue after coughing, sneezing, or blowing your nose
- Clean and disinfect surfaces that are frequently touched

Public Health continues to work with our health and safety partners in the community to respond to the COVID-19 pandemic and will continue to provide daily updates.
