COLUMBUS COUNTY COVID-19 UPDATE: ELEVEN ADDITIONAL CASES OF COVID-19

Columbus County, NC – Columbus County has eleven new cases of COVID-19 to report today. Our current total number of COVID-19 cases is 203. Five of the new cases are connected to a family gathering, three of the cases are connected to positive family members living in the same household, one is connected to a congregate living facility in Columbus County, and the source of infection could not be found for two cases. There have been thirteen COVID-19 related deaths in Columbus County. We will be releasing another update on COVID-19 recoveries next week. For more information about cases of COVID-19 in congregate living facilities or the number of cases by zip code, please visit the North Carolina Department of Health and Human Services website.

With the number of COVID-19 cases and deaths continuing to rise in Columbus County, we are asking the public to take the necessary measures to stop the transmission of COVID-19. The Columbus County Health Department would like to remind everyone of the recommended measures to prevent the spread of COVID-19, which are:

• Social distancing (e.g. avoiding crowds, self-quarantining)
• Wearing a mask or face covering when in public places
• Washing hands frequently with soap and water, and for at least 20 seconds each time
• Avoid touching your eyes, nose and mouth with unwashed hands
• Avoid close contact with people who are ill
• Cover your mouth and nose with a tissue when you cough or sneeze, throw it away, and then wash your hands
• Do not reuse tissue after coughing, sneezing, or blowing your nose
• Clean and disinfect surfaces that are frequently touched

Public Health continues to work with our health and safety partners in the community to respond to the COVID-19 pandemic and will continue to provide daily updates.
