COLUMBUS COUNTY COVID-19 UPDATE: 19 NEW CASES OF COVID-19

Columbus County, NC – Columbus County has nineteen new cases of COVID-19 to report today. Our current total number of COVID-19 cases stands at 278. Six of the new cases are connected to positive family members, six cases are work-related, and seven cases are still under investigation. There have been 21 COVID-19 associated deaths in Columbus County. For more information about recoveries, please see our release from May 14. We will be releasing another update on COVID-19 recoveries tomorrow (5/21/2020). For more information about cases of COVID-19 in congregate living facilities or the number of cases by zip code, please visit the North Carolina Department of Health and Human Services website.

With the number of COVID-19 cases and deaths continuing to rise in Columbus County, we are asking the public to take the necessary measures to stop the transmission of COVID-19. The Columbus County Health Department would like to remind everyone of the recommended measures to prevent the spread of COVID-19, which are:

• Social distancing (e.g. avoiding crowds, self-quarantining, no mass gatherings, only going out in public when necessary)
• Wearing a mask or face covering when in public places
• Washing hands frequently with soap and water, and for at least 20 seconds each time
• Avoid touching your eyes, nose and mouth with unwashed hands
• Avoid close contact with people who are ill
• Cover your mouth and nose with a tissue when you cough or sneeze, throw it away, and then wash your hands
• Do not reuse tissue after coughing, sneezing, or blowing your nose

Public Health continues to work with our health and safety partners in the community to respond to the COVID-19 pandemic and will continue to provide daily updates.
