

Columbus County
Novel Coronavirus
Press Release
March 16, 2020

County Administration is closely monitoring information on COVID-19 for possible actions required to protect the health of county employees and citizens. Currently there are no confirmed cases of COVID-19 within the county. We urge citizens to remain calm and take appropriate precautions. For more information and updates on COVID-19, please see the following press release from the Columbus County Health Department as well as other reputable websites: <http://www2.columbusco.org/health/coronavirus3.pdf>

County Offices

County Offices are currently operating on a regular schedule. We urge citizens to conduct their business with the county by telephone or email if possible. If you must come in person to county offices, please use precautions addressed in press release listed hereinabove.

Senior Centers will continue to provide meals for delivery but will package meals for pickup that are normally served in group settings.

Additional information will be release as warranted by circumstances.
