Minutes of the last meeting being read and approved, the following business was transacted.

Resolved: that since the contractors building the County Home have had delays in the progress of the work, beyond their control, caused principally by rain which prevented work on the outside and on account of the delay of delivery of steel, that we request the Public Works Administration for an extension of time for the completion date of the County Home contracts from July 1st, 1937 to August 29th, 1937.

On motion of Mr. R. C. Benton, seconded by Mr. W. L. Hobbs, and after discussion, the resolution was unanimously adopted.
