The following business was transacted:

Upon motion of Commissioner Council, seconded by Commissioner Thompson, and unanimously passed, it was ordered that pursuant to authority of G. S. 105-301, that each person desiring to record any deed conveying real or timber rights or report of Commissioners dividing real estate shall, before presenting it to the Register of Deeds, present it to the Tax Supervisor or person in charge of the tax records, in order that the conveyance may be noted on the tax records and in order that adequate information concerning the location of the property may be obtained from the person recording the conveyance. As provided by said Statute, the Register of Deeds of Columbus County shall not accept for recording any such conveyance which has not first been presented as herein provided to the Tax Supervisor or person in charge of the tax office, and such person has obtained information for the tax records which is deemed satisfactory by said person, as indicated by the notation thereon "Tax Information Received, Tax Supervisor, By _____"

Provided further that no change in the tax records shall be made by tax listers or Tax Supervisors except as shown by deed for said real estate or timber deed as filed in the office of the Register of Deeds of Columbus County, unless done by special order of the Board of County Commissioners.

This order shall be effective of and after August 1, 1957.

It appearing that one lot listed in the Town of Whiteville in the name of R. O. Tesh, valued at \$1,500.00, is not owned by said R. O. Tesh but was owned January 1, 1957, by W. C. Black, and was removed from the listing of said Black and transferred to the listing of R. O. Tesh through error.

It is, therefore, ordered that the Tax Collector shall accept the taxes due upon said lot and credit same upon receipt of R. O. Tesh, and that said real estate shall thereby be relieved of the taxlien for the year 1957.

Upon motion the meeting was adjourned until August 5, 1957 at 10 A. M.
