## PROCLAMATION DESIGNATING INDUSTRY APPRECIATION WEEK

WHEREAS, the industries of Columbus County make a substantial contribution to the economic well being of the county, by employing citizens of the county, by buying items grown or produced in the county, and by paying taxes to help support county services, and

WHEREAS, the efforts to encourage the location of additional industry in the county at times may appear to overshadow the contributions now being made by existing industires; and

WHEREAS, Terry Sanford, Governor of North Carolina, has designated the week of April 12 to 18, 1964 as Industry Appreciation Week throughout North Carolina;

NOW THEREFORE BE IT PROCLAIMED by the Board of County Commissioners of Columbus County, North Carolina, that the week of April 12 to 18, 1964 be Industry Appreciation Week in Columbus County, thereby providing an opportunity for all officials and citizens to express appreciation for the great contribution made by industry to the county.

During this week, newspapers and television and radio stations serving the county should acquaint the people of the county with the contribution being made by industry. In turn, the people of the county should, as individuals, express their appreciation to the owners, managers, and employees of industry for this contribution.

The leaders in each of the various communities in the county are encouraged to designate a day during Industry Appreciation Week, at which time the community may, as it deems appropriate, recognize the contribution of its own industry.

Adopted this the 6th day of April, 1964.
