The following business was transacted:

All budget requests for the fiscal year 1966-67 were reviewed, and it was noted that these requests would necessitate an increase of .05 in the present tax rate. The county accountant was instructed to make certain changes in these which would thereby reduce the tax rate to the 1965-66 rate of \$1.59 per \$100 valuation. The accountant was further instructed to request the same modified merit system plan as was granted for the fiscal year 1965-66.

Upon motion the meeting adjourned until 10 a.m., June 6, 1966.
