Mr. Blaine Mills, District Engineer, Dept. of Transportation, came to discuss some changes in the regulations set out by the Department of Transportation regarding raod improvements.

The Drug Abuse Committee of Columbus County presented a proposed budget to the Board requesting the Board to allow their agency to use the 5ϕ per bottle tax on alcoholic beverages sold in the towns of Columbus County to operate a program for the rehabilitation of alcoholics in the County. No decision was made at this meeting.

Cecil Edwards, Sanitarian, reported on the activities of the Dog Warden for the month of October. He presented a very favorable report.

As a result of the petition concerning a cemetery located inside the boundaries of the land leased for the Landfill, Commissioner Brown was instructed to contact the proper people and have an acre of land set aside for the cemetary as described in the deed recorded in the office of the REgister of Deeds.

A letter from the Whiteville City Manager was read to the Board requesting the same services to Whiteville as other towns in the County are now receiving from the Dog Warden. No action was taken at this time on this request.

The Accountant informed the Board that the Revenue Sharing check for the first quarter was less than the first quarter of the preceeding year and asked if they wished to question any of the data used by the Department of the Treasurer. No suggestions were made. 75

Upon motion the meeting adjourned until November 19, 1973, at 10:00 a.m.
