Edward L. Williamson, Board of Education Attorney, Supt. Jerry Paschal, Tommy Lewis, Principal, Tabor City High School; R. C. Soles, Sr., Mayor, Tabor City, and Mr. A. H. Wright, Councilman met jointly with the Board to discuss the pick-up of trash at Tabor City School. At the present time the City is servicing the School but the Mayor stated that he felt that Tabor School should get the same services from the County as other schools in the County. The Board stated that the towns in the County were getting free use of the landfill which is a great financial aid to the towns. No decision was made at this time and the Mayor agreed to continue servicing the School until the Board meets September 16 at which time the Board is to make a decision as to whether the County will assume the responsibility of picking up the trash from the School.

Don Peacock and Ray Duncan, Accountant came to discuss a tax adjustment for Peacock Funeral Home, Inc. because of selling lots and crypts to individual owners and not having the value removed from their taxable valuation. The Board asked for proof of sale to be presented to the Tax Supervisor and proof be attached to their records in that office. The Supervisor can then make a recommendation to the Board.

Mr Arthur Lienwand met with the Board to request permission to set up a place for instruction in flying between the hanger and the fence at the County Airport. The Board asked for the request in writing to be reviewed by the County Attorney.
