RESOLUTION PROVIDING FOR THE ISSUANCE OF
\$8,000,000 SCHOOL BONDS, SERIES 1991

BE IT RESOLVED by the Board of Commissioners for the County of Columbus:

Section 1. The Board of Commissioners has determined and does hereby find and declare:

(a) That an order authorizing not exceeding \$16,400,000 School Bonds was adopted by the Board of Commissioners for the County of Columbus on July 3, 1989, which order was approved by the vote of a majority of the qualified voters of said County who voted thereon at a referendum duly called and held on September 19, 1989.

(b) That \$8,400,000 of said bonds have been issued, which bonds are designated "School Bonds, Series 1990", dated July 1, 1990, that no notes have been issued in anticipation of the receipt of the proceeds of the sale of the balance of said bonds and that it is necessary at this time to issue the balance of said bonds.

(c) That the maximum period of usefulness of the facilities to be financed with the proceeds of said bonds to be issued is estimated as a period of 40 years from August 1, 1991, the date of said bonds to be issued as hereinafter provided, and that such period expires on August 1, 2031.

Section 2. Pursuant to said order, there shall be issued bonds of the County of Columbus, North Carolina (the "Issuer") in the aggregate principal amount of \$8,000.00, designated "School Bonds, Series 1991" and dated August 1, 1991 (the "Bonds"). The Bonds shall be stated to mature (subject to the right of prior redemption as hereinafter set forth) annually, February 1, \$400,000 1993 to 2007, inclusive \$425,000 2008, \$1,100,000 2009 and \$475,000 2010, and shall bear interest at a rate or rates to be determined by the Local Government Commission of North Carolina at the time the Bonds are sold, with interest to the respective maturities thereof shall be payable on February 1, 1992 and semiannually thereafter on February 1 and August 1 of each year until payment of such principal sum.

Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated unless it is (a) authenticated upon an interest payment date in which event it shall bear interest from such interest payment date or (b) authenticated prior to the first interest payment date in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, such Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest and any redemption premium on the Bonds shall be payable in any coin or currency of the United States of America which is legal and tender for the payment of public and private debts on the respective dates of payment thereof.

The Bonds will be issued by means of a book-entry system with no physical distribution of Bond certificates to be made except as hereinafter provided. One Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., a nominee of The Depository Trust Company, New York, New York ("DTC"), will be issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The principal of and any redemption premium on each Bond shall be payable to Cede & Co. or any other person appearing on the registration books of the Issuer hereinafter provided for as the registered owner of such Bond or his registered assigns or legal representative at such office of the Bond Registrar mentioned hereinafter or such other place as the Issuer may determine upon the presentation and surrender thereof as the same shall become due and payable. Payment of the interest of each Bond shall be made by the Bond Registrar on each interest payment date to the registered owner of such Bond (or the previous Bond or Bonds evidencing the same debt as that evidenced by such Bond) at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his address as it appears on such registration books. Transfer of principal, interest and any redemption premium payments to participants of DTC will be the responsibility of DTC, and transfer of principal, interest and any redemption premium payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The Issuer will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds or (b) the Finance Officer for the Issuer determines that continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the Issuer will discontinue the book-entry system with DTC. If the Issuer identifies another qualified securities depository to replace DTC, the Issuer will make arrangements with DTC and such other depository to effect such replacement and deliver replacement Bonds registered in the name of such other depository or its nominee in exchange for the outstanding Bonds, and the references to DTC or Cede & Co. in this resolution shall thereupon be deemed to mean such other depository or its nominee. If the Issuer fails to identify another qualified securities depository to replace DTC, the Issuer will deliver replacement Bonds in the form of

fully-registered certificates in the denomination of \$5,000 or any multiple thereof ("Certificated Bonds") in exchange for the outstanding Bonds as required by DTC and others. Upon the request of DTC, the Issuer may also deliver one or more Certificated Bonds to any participant of DTC in exchange for Bonds credited to its account with DTC.

Unless indicated otherwise, the provisions of this resolution that follow shall apply to all Bonds issued or issuable hereunder, whether initially or in replacement thereof.

Section 3. The Bonds shall bear the manual or facsimile signatures of the Chairman of the Board of Commissioners for the Issuer and the Clerk to said Board and the corporate seal or a facsimile of the corporate seal of the Issuer shall be impressed or imprinted, as the case may be, on the Bonds.

The certificate of the Local Government Commission of North Carolina to be endorsed on all Bonds shall bear the manual or facsimile signature of the Secretary of said Commission and the certificate of authentication of the Bond Registrar to be endorsed on all Bonds shall be executed as provided hereinafter.

In case any officer of the Issuer or the Local Government Commission of North Carolina whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery, and any Bond may bear the manual or facsimile signatures of such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

No Bond shall be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

The Bonds to be registered in the name of Cede & Co. and the endorsements thereon shall be in substantially the following forms:

No. R-..... \$.....

COUNTY OF COLUMBUS

SCHOOL BOND, SERIES, 1991

<u>Maturity Date</u>	<u>Interest Rate</u>	<u>Cusip</u>
.....

The County of Columbus, in the State of North Carolina, is justly indebted and for value received hereby promises to pay to

CEDE & CO.

or registered assigns or legal representative on the date specified above, upon the

presentation and surrender hereof, at the office of the Finance Officer for said County (the "Bond Registrar"), the principal sum of

.....DOLLARS

and to pay interest on such principal sum from the date hereof or from the February 1 or August 1 next preceding the date of authentication to which interest shall have been paid, unless such date of authentication is a February 1 or August 1 to which interest shall have been paid, in which case from such date, such interest to the maturity hereof being payable on February 1, 1992 and semiannually thereafter on February 1 and August 1 in each year, at the rate per annum specified above, until payment of such principal sum. The interest so payable on any such interest payment date will be paid to the person in whose name this bond (or the previous bond or bonds evidencing the same debt as that evidenced by this bond) is registered at the close of business on the record date for such interest, which shall be on the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date, by check mailed to such person at his address as it appears on the bond registration books of said County. Both the principal of and the interest on this Bond shall be paid in any coin or currency of the United States of America that is legal and tender for the payment of public and private debts on the respective dates of payment thereof. For the prompt payment hereof, both principal and interest as the same shall become due, the faith and credit of said County of Columbus are hereby irrevocably pledged.

This bond is one of an issue of bonds designated "School Bonds, Series 1991" ^(the "Bonds") and issued by said County for the purpose of providing funds, with any other available funds, for erecting additional school facilities and improving existing school facilities in said County, and this bond is issued under and pursuant to The Local Government Bond Act, as amended, Article 7, as amended, of Chapter 159 of the General Statutes of North Carolina, an order adopted by the Board of Commissioners for said County, which order was approved by the vote of a majority of the qualified voters of said County who voted thereon at a referendum duly called and held, and a resolution duly passed by said Board (the "Resolution").

The Bonds maturing prior to February 1, 2002 are not subject to redemption prior to maturity. The Bonds maturing on February 1, 2002 and thereafter may be redeemed, at the option of said County, from any moneys that may be made available for such purpose, either in whole or in part on any date not earlier than February 1, 2001, at the principal amount of the Bonds to be redeemed, together with interest accrued thereon to the date fixed for redemption, plus a redemption premium of 1/2 of 1% of the principal amount of each Bond to be redeemed for each period of 12 months or part thereof between the redemption date and the maturity date of such Bond, such premium not to exceed 2% of such principal amount.

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be

redeemed shall be selected by lot in such manner as said County in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. So long as a book-entry system with The Depository Trust Company, New York, New York ("DTC"), is used for determining beneficial ownership of bonds, if less than all of the Bonds within a maturity are to be redeemed, DTC and its participants shall determine by lot which of the Bonds within a maturity are to be redeemed. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be called in the inverse order of their maturities.

Not more than sixty (60) nor less than thirty (30) days before the redemption date of any Bonds to be redeemed, whether such redemption be in whole or in part, said County shall cause a notice of such redemption to be filed with the Bond Registrar and given by certified or registered mail to Cede & Co. at its address appearing upon the registration books of said County. On the date fixed for redemption, notice having been given as aforesaid, the Bonds or portions thereof so called for redemption shall be due and payable at the redemption price provided for the redemption of such Bonds or portions thereof on such date plus accrued interest to such date and, if moneys for payment of such redemption price and the accrued interest have been deposited by said County as provided in the Resolution, interest on the Bonds or the portions thereof so called for redemption shall cease to accrue. If a portion of this Bond shall be called for redemption, a new Bond or Bonds in principal amount equal to the unredeemed portion hereof will be issued to Cede & Co. or its legal representative upon the surrender hereof.

The Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Resolution. One Bond certificate with respect to each date on which the Bonds are stated to mature, in the aggregate principal amount of the Bonds stated to mature on such date and registered in the name of Cede & Co., a nominee of DTC, is being issued and required to be deposited with DTC and immobilized in its custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 or any multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. Transfer of principal, interest and any redemption premium payable to participants of DTC will be the responsibility of DTC, and transfer of principal, interest and any redemption premium payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. Said County will not be responsible or liable for such transfer of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

In certain events, said County will be authorized to deliver replacement Bonds in the form of fully-registered certificates in the denomination of \$5,000 or any multiple thereof in exchange for the outstanding Bonds as provided in the Resolution.

At the office of the Bond Registrar, in the manner and subject to the conditions provided in the Resolution, Bonds may be exchanged for an equal aggregate principal amount of Bonds of same maturity, of authorized denominations and bearing interest at the same rate.

The Bond Registrar shall keep at his office the books of said County for the registration of transfer of Bonds. The transfer of this bond may be registered only upon such books and as otherwise provided in the Resolution upon the surrender hereof to the Bond Registrar together with an assignment duly executed by the registered owner hereof or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall deliver in exchange for this bond a new Bond or Bonds, registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the unredeemed principal amount of this bond, of the same maturity and bearing interest at the same rate.

The Bond Registrar shall not be required to exchange or register the transfer of any Bond during a period beginning at the opening of business fifteen (15) days before the date of the mailing of a notice of redemption of bonds or any portion thereof and ending at the close of business on the day of such mailing or of any Bond called for redemption in whole or in part pursuant to the Resolution.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and Laws of North Carolina to happen, exist and be performed precedent to and in the issuance of this bond have happened, exist and have been performed in regular and due form and time as so required; that provision has been made for the levy and collection of a direct annual tax upon all taxable property within said County sufficient to pay the principal of and the interest on this bond as the same become due; and that the total indebtedness of said County, including this bond, does not exceed any constitutional or statutory limitation thereon.

This bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Resolution until this bond shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.

IN WITNESS WHEREOF, said County of Columbus, by resolution duly passed by its Board of Commissioners, has caused this bond (to be manually signed by) (or bear

the facsimile signatures of) the Chairman of said Board and the Clerk to said Board and (a facsimile of) its corporate seal to be (imprinted) (impressed) hereon, all as of the 1st day of August, 1991.

Section 4. The Bonds maturing prior to February 1, 2002 will not be subject to redemption prior to maturity. The Bonds maturing on February 1, 2002 and thereafter will be redeemable, at the option of the County, from any moneys that may be made available for such purpose, either in whole or in part on any date not earlier than February 1, 2001, at the principal amount of the bonds to be redeemed, together with interest accrued thereon to the date fixed for redemption, plus a redemption premium of 1/2 of 1% of the principal amount of each Bond to be redeemed for each period of 12 months or part thereof between the redemption date and the maturity date of such Bond, such premium not to exceed 2% of such principal amount.

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot in such manner as the Issuer in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be called in the inverse order of their maturities.

Not more than sixty (60) nor less than thirty (30) days before the redemption date of any Bonds to be redeemed, whether such redemption be in whole or in part, the Issuer shall cause a notice of such redemption to be filed with the Bond Registrar and to be mailed, postage prepaid, to the registered owner of each Bond to be redeemed in whole or in part at his address appearing upon the registration books of the Issuer, provided that such notice to Cede & CO. shall be given by certified or registered mail. Failure to mail such notice or any defect therein shall not affect the validity of the redemption as regards registered owners to whom such notice was given as required hereby. Each such notice shall set forth the date designated for redemption, the redemption price to be paid and the maturities of the Bonds to be redeemed. In the event that Certificated Bonds are outstanding, each such notice to be registered owners thereof shall also set forth, if less than all of the Bonds of any maturity then outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed and, in the case of any Bond to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds in principal amount equal to the unredeemed portion of such Bond will be issued.

On or before the date fixed for redemption, moneys shall be deposited with the Bond Registrar to pay the principal of and the redemption premium, if any, on the Bonds or portions thereof called for redemption as well as the interest accruing thereon to the redemption date thereof.

On the date fixed for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date. If moneys sufficient to pay the redemption price of the Bonds or portions thereof to be redeemed, plus accrued interest thereon to the date fixed for redemption, have been deposited by the Issuer to be held in trust for the registered owners of Bonds or portions thereof to be redeemed, interest on the Bonds or portions thereof called for redemption shall cease to accrue, such Bond or portions thereof shall cease to be entitled to any benefits or security under this resolution or to be deemed outstanding, and the registered owners of such Bonds or portions thereof shall have no rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest to the date of redemption.

If a portion of a Bond shall be selected for redemption, the registered owner thereof or his attorney or legal representative shall present and surrender such Bond to the Bond Registrar for payment of the principal amount thereof so called for redemption and the redemption premium, if any, on such principal amount, and the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of the same maturity, of any denomination or denominations authorized by this resolution and bearing interest at the same rate.

Section 5. Bonds, upon surrender thereof at the office of the Bond Registrar together with an assignment duly executed by the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bond of the same maturity, of any denomination or denominations authorized by this resolution and bearing interest at the same rate.

The transfer of any Bond may be registered only upon the registration books of the Issuer upon the surrender thereof to the Bond Registrar together with an assignment duly executed by the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall authenticate and deliver in exchange for such Bond a new Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this resolution, in an aggregate principal amount equal to the unredeemed principal amount of such Bond so surrendered, of the same maturity and bearing interest at the same rate.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered hereunder, the Bond Registrar shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this resolution. All Bonds surrendered in any such exchange or registration of transfer shall forthwith be cancelled by the Bond Registrar. The Issuer or the Bond Registrar may make a charge for shipping and out-of-pocket costs for every such exchange or registration of transfer of Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, but no other charge shall be made by the Issuer or the Bond Registrar for exchanging or registering the transfer of Bonds under this resolution. The Bond Registrar shall not be required to exchange or register the transfer of any Bond during a period beginning at the opening of business fifteen (15) days before the day of the mailing of a notice of redemption of Bonds or any portion thereof and ending at the close of business on the day of such mailing or of any Bond called for redemption in whole or in part pursuant to Section 4 of this resolution.

As to any Bond, the person in whole name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or redemption price of any such Bond and the interest on any such Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the redemption premium, if any, and interest thereon, to the extent of the sum or sums so paid.

The Issuer shall appoint such registrars, transfer agents, depositaries and other agents as may be necessary for the registration, registration of transfer and exchange of Bonds within a reasonable time according to then current commercial standards and for the timely payment of principal, interest and any redemption premium with respect to the Bonds. The Finance Officer for the Issuer is hereby appointed the registrar, transfer agent and paying agent for the Bonds (collectively "Bond Registrar"), subject to the right of the governing body of the Issuer to appoint another Bond Registrar, and as such shall keep at his office the books of the Issuer for the registration, registration of transfer, exchange and payment of the Bonds as provided in this resolution.

Section 6. The Issuer covenants that, to the extent permitted by the Constitution and laws of the State of North Carolina, it will comply with the requirements of the Internal Revenue Code of 1986, as amended (the "Code"), except to the extent that the Issuer obtains an opinion of bond counsel to the effect that non-compliance would not result in interest on the Bonds being includable in gross income of the owners of the Bonds for purposes of federal income tax.

Section 7. The Issuer hereby represents that it reasonably expects that it and all subordinate entities thereof will not issue more than \$10,000,000 of tax-exempt obligations (not counting private-activity bonds except for qualified 501(c)(3) bonds as defined in the Code) during calendar year 1991. In addition, the Issuer hereby designates each of the Bonds as a "qualified tax-exempt obligation" for the purposes of the Code.

Section 8. The action of the County Administrator for the Issuer in applying to the Local Government Commission of North Carolina to advertise and sell the Bonds is hereby ratified and confirmed, and the Local Government Commission of North Carolina is hereby requested to ask for sealed bids for the Bonds by publishing notices and printing and distributing an Official Statement and a Supplement to such Official Statement relating to the sale of the Bonds. Such Official Statement, dated July 12, 1991 and substantially in the form of the draft thereof presented at this meeting, is hereby approved and the Chairman of the Board of Commissioners for the Issuer, the County Administrator and the Finance Officer for the Issuer are each hereby authorized to approve changes in such Official Statement, to approve such Supplement and to execute such Official Statement and such Supplement for and on behalf of the Issuer.

Section 9. The letter of Representations, as requested by DTC in connection with the issuance of the Bonds and substantially in the form presented at this meeting, is hereby approved, and the Finance Officer for the Issuer is hereby authorized to complete and execute such Letter of Representations and to deliver the same to DTC for and on behalf of the Issuer.

Section 10. This resolution shall take effect upon its passage.
