**NATIONAL CHILDREN'S DENTAL HEALTH MONTH**

WHEREAS, the future of North Carolina depends, in great part, upon the health and well-being of its children. This includes the development and maintenance of good dental health practices. WHEREAS, in recognition of National Children's Dental Health Month, the Columbus County Health Department and Columbus County Dentists will sponsor several dental health activities, Children's Dental Health Month Contest and school activities that involve the Community, presentations for parents, and participation in funding and judging; and

WHEREAS, it takes all of us - children, parents, public health officials and dental health professionals - working together to ensure that our young people learn and practice good dental health habits; and

WHEREAS, the Columbus County Board of Commissioners urge the public, community dentists and children's organizations to participate in upcoming activities and events.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Columbus County, we do hereby proclaim February, 1992 as "NORTH CAROLINA CHILDREN'S DENTAL HEALTH MONTH", and encourage all of our citizens to join in promoting and expanding good dental health habits among the children and youth of this County.
