Gerald Holleman, representative from the Governor's Office, informed the Board that thirty-three (33) houses needed to be completed each month in order to finish the number involved in the CHAF Program and meet the established deadline. If we do not meet the established deadline of June, 2003, the money allocated to Columbus County cannot be guaranteed after that date. In addition, we need to request our money on a timely basis without any delay.

CONCENTRATED SITE HOUSING GRANT INFORMATION (Local Option Money)

Floyd Adams, The Adams Company, Incorporated, informed the Board that fifteen (15%) percent which is entitled Local Option Money of the seven hundred thousand and 00/100 (\$700,000.00) dollars grants, which equates to one hundred five thousand and 00/100 (\$105,000.00) dollars, could be used for other beneficial purposes other than housing. He requested Board approval to allow him to list the installation of a water line between Water District I and Water District II on the application when submitted. He further stated this amount of money would not be sufficient to connect the two (2) districts but would locate the line closer, and hopefully Columbus County could obtain additional grant money to finish the line at a future date. Commissioner Norris made a motion to grant Mr. Adams' request, seconded by Commissioner Dutton. The motion so carried.

RESOLUTION of SUPPORT U.S. FIRE ADMINISTRATION FIREFIGHTERS ASSISTANCE GRANT PROGRAM
