

**2009 Columbus County Retreat
March 5, 2009**

The Columbus County Commissioners met in Special Work Session on Thursday February 5, 2009 at the Southeastern Community College, Whiteville, North Carolina. Present were Commissioners James Prevatte, Amon McKenzie, Lynwood Norris, Edwin Russ, and Giles Byrd. Commissioners Ronald Gore and Ricky Bullard were unable to attend. County Manager Bill Clark recorded the minutes. Chris May, Executive Director for the Cape Fear Council of Governments facilitated.

Chairman Prevatte called the meeting to order at 9:10 AM and after welcome and introductions, turned the meeting over to Mr. May who conducted the retreat.

Mr. May reviewed the 2008 retreat summary, outlined the process for the 2009 retreat.

Next, May led the Commissioners in a brainstorm, list, prioritization exercise to identify the most pressing emerging issues facing the county. The list follows below, not in prioritized order, but in the order listed. Numbers were assigned for later prioritization votes.

1. Competitive jobs - college & HS enhanced education
2. Teach workplace ethics
3. Lower – eliminate water dist. Tax
4. County wide water
5. Expand public infrastructure throughout county. Roads, water, sewer, internet.
6. Decent & affordable housing.
7. Establish & maintain health fund balance.
8. Reduce crime rate.
9. Streamline dept. efficiency reduce unnecessary spending.
10. Reduce drop-out rate.
11. Dress code schools.
12. Community pride what to live & work.
13. Voluntary recycling, Reduce waste stream.
14. Encourage use of County vendors.
15. Encourage in County purchase by residents & government.
16. New CT HSE / renovate existing.
17. Incentives for existing local business (State/Federal/Local).
- 17a. Consider 5 yr. waiver of tax as incentive for local business starts.
18. Sustain or increase education funding (to ensure State match).
19. Build or purchase vacant industrial buildings to lease using grant funds made available at low cost to prospective new business. Use lease to repeat process.
20. Encourage more inter-dept. co-operations, understanding of big picture, share ideas, be informed.
21. Long range plan to address replacing old school facilities.
22. Long range CIP for all County buildings M/R & replacement.
23. Hire grant writer.
24. “Reasonable” Land Use Plans.
25. Encourage industries on east end of County.
26. Roads/Transportation to prepare for future.
27. Consider consolidation of school systems.

Each Commissioner was given five votes, then the lower numbers were re-voted top achieve a majority...thus arriving at ten top priorities. (One commissioner had to leave early)
