**READINGS of PROCEDURE and TYPES of PROCEDURES:**

Chairman Prevatte stated the following:

1. Workshop meetings normally differ from regular board meetings in two respects as follows:  
-the meeting is to inform the Board and permit discussion - no final action is taken; **and**  
-the procedures are less formal than at a regular meeting, but such meetings are part of the decision-making process, deliberations are going on, and therefore, they constitute "official meetings";
2. The procedure we will follow tonight is to go over the amendments that were discussed at the July 13, 2009 Workshop for the sake of the Board member that was not present; **and**
3. Chairman Prevatte presented the following amendments for discussion.
