At 6:31 P.M., Chairman P. Edwin Russ called the October 05, 2020 Columbus County Board of Commissioners Regular Session Meeting to order. The invocation was delivered by Commissioner Ricky Bullard. Everyone in attendance stood and pledged Allegiance to the Flag of the United States of America which was led by Vice Chairman Jerome McMillian.

### Agenda Item #4: <u>BOARD MINUTES APPROVAL</u>:

Commissioner McDowell made a motion to approve the September 21, 2020 Regular Session Minutes, as recorded, seconded by Vice Chairman McMillian. The motion unanimously passed.

### Agenda Item #5: <u>BUILDING INSPECTIONS - DEPARTMENTAL UPDATE</u>:

Wayland Townsend, Building Inspections Director, delivered the following departmental Update.

Six hundred and sixty-three (663) permits have been written, collecting a total of one hundred and forty-five thousand, two hundred and forty-two and 00/100 (\$145,242.00) dollars. Sixteen million, eight hundred and six thousand, nine hundred and fifty-three and no 100 (\$16,806,953.00) dollars have been added to the tax base.

Currently, the county is divided into two (2) sections and has been this way since 2005. Lake Waccamaw, Bolton, Delco, Riegelwood and all areas north of NC 74, are done on Mondays and Wednesdays. The remainder of the county is done on Tuesdays and Thursdays. This is not firm. We work with contractors as best we can. Time is important to contractors and we work with them as best we can and try not to hold them up.

Generators are somewhat troublesome. We are there when they ask and they are not ready when we arrive. The inspector has to wait, sometimes for long periods. Often, we have to return the next day, making multiple trips when one should be enough. We make sure that no one is without power overnight, whatever it takes.

Inspectors go out every day. We do inspections on Fridays covering the whole county on a limited basis. This is done to lighten the loads on Mondays and Tuesdays.

The COVID has caused some problems on scheduling Standard Exams for the inspectors. Chuck Britt is to take his Plumbing Exam on October 20, and Darin Jackson is to take his Plumbing 1 Exam on October 15. Eric is working on his Electrical 1, and then the Building 1. They have taken all the required classes and are waiting to schedule exams.

Just goes to show how heartless you commissioners are, but what can we expect since you identify with killing babies, open borders, allowing illegals to vote, defunding the police.....all part of the platform you support.

Hopefully, Columbus County will NOT have any of you on this board in just a few short months.
