Columbus County
Press Release
Volunteers Needed to
Sew Gowns
May 22, 2020

County Administration is closely monitoring information on COVID-19 for possible actions required to protect the health of county employees and citizens. We urge citizens to remain calm and take appropriate precautions. For more information and updates on COVID-19, please see the press releases from the Columbus County Health Department as well as other reputable websites as follows:

Volunteers Needed to
Sew Gowns

We would like to begin by stating how very grateful we are to the people that have volunteered to sew and have sewn gowns. Currently some of the most needed personal protective equipment for healthcare workers and first responders are gowns. Gowns are extremely difficult to be found to purchase. County Administration will be receiving more gown kits for delivery to volunteers to sew in the near future. The fabric will be precut and ready to sew. We are looking for additional volunteers to sew these gowns. If you are interested in assisting or interested in sewing an additional box, please contact the Columbus County Economic Development Department by calling 910-640-6608. The hours of operation are Monday – Friday, 8:30 AM – 5:00 PM.
