

Whereas, on several occasions said bank has aided the county in financial matters as well as having aided in an advisory capacity; and,

STATE BOARD OF CHARITIES AND PUBLIC WELFARE
MOTHERS' AID FUND

Columbus County wishes to be included in the counties that will administer Mothers' Aid during the year 1931-32.

Therefore, Columbus County agrees

1st. To set aside in its budget for 1931-32 a sum of money equal to the quota received from the State, appropriated on a per capita basis, this sum to be used for no other purpose;

2nd. To issue no check to a prospective recipient of this Aid until notification has been received that application for this help has been approved by the State Board of Charities and Public Welfare;

3rd. To take no definite (final) action in reducing or discontinuing the grant of any recipient of this Aid until such action or plan is mutually agreed upon with the State Board of Charities and Public Welfare.

Ordered: That the Tax Collector be notified not to advertise delinquent tax list for next thirty days.

Ordered: That the Tax Collector accept \$18.30 plus interest from Dr. L. Baggett for 1930 taxes on one town lot in South Williams Township valued at \$1000.00 listed by Pridgen and Pridgen.

Whereas, the Board of County Commissioners of Columbus County deem it the best interest of the people of this section of the state to hard surface State Highway No. 23 from the South Carolina line at a point near Tabor to Whiteville; and

Whereas, a previous request has been made of the State Highway Commission for the hard surfacing of the said road; and

Whereas, the road leading from the railroad station at Lake Waccamaw to the Lake side; thence by the Lake side for about a mile and thence back to State Highway No. 20 East of Wananish should be improved by putting some type of hard surface thereon; and

Whereas, the Board of County Commissioners of Columbus County during the past year have made certain improvements on the said road, which the board understood would be required before the State

Highway Commission would take the said road over; and

Whereas, the said Lake road is one of the most widely travelled roads in Columbus County during certain seasons of the year; and

Whereas, the said road becomes in a poor state of repair, unless maintained by the county.

Now, therefore, Be It Resolved by the Board of County Commissioners of Columbus County, that the State Highway Commission be requested, (1) to hard surface Route No. 23 from the South Carolina line at a point near Tabor to Whiteville, and (2) to hard surface the so-called Lake road or put some other type of improved surface thereon.

And Be It Further Resolved, that a copy of this resolution be forwarded to the State Highway Commission, a copy sent to District Highway Commissioner James H. Clark, and a copy recorded in the minutes of this board.

Whereas, the road leading from the railroad station at Lake Waccamaw to the Lake side; thence by the Lake side for about a mile and thence back to Highway No. 20 East of Wananish should be improved by putting some type of hard surface thereon.

And whereas, the Board of County Commissioners of Columbus County during the past year have made certain improvements on the said road, which the board understood would be required before the State Highway Commission would take the said road over.

And whereas, the said Lake road is one of the most widely travelled roads in Columbus County during certain seasons of the year.

And whereas, the said road is always dusty and becomes in a poor state of repair, unless maintained by the County.

Now, therefore, be it resolved by the Board of County Commissioners of Columbus County that the State Highway Commission be requested to hard surface the so-called Lake road or put some type of improved surface thereon.

And be it further resolved: That a copy of this resolution be sent to the State Highway Commission and a copy recorded in the minutes of this board.

Motion of J. R. Blake, seconded by D. W. Merritt to reopen consideration of the affairs of County Superintendent of Public Welfare and Home Demonstration Agents for both white and colored races. The motion was voted down. Those voting "Aye" Blake and Merritt, voting "no" Garrell, Benton, Hooks.

Whereas, it appears that on the books of the defunct Bank of Whiteville, there is an account listed in the name of Julian D. Lewis, County Attorney, showing a balance of \$1,435.84 in said bank at the time of its closing on March 9, 1931; and

Whereas, the said county attorney has come before the Board of County Commissioners and explained that the account was a clearing account which arose by reason of part payments to him on tax sales certificates in his hands for foreclosure, which could not be cleared out; and that the account was made up of tax money, and court costs due the Clerk of the Court, the news papers and county attorney in the tax foreclosure suits; and

Whereas, the said county attorney has stated that he feels that he is at least morally responsible for said account and has signified his willingness to pay the said sum in order that the county may stand no loss, provided however, that the county will transfer and assign to him any right it may have in the said account.

It is now, therefore, ordered by the Board of County Commissioners, that upon the payment of the sum of \$1,435.84, the said sum to be deposited in the Waccamaw Bank and Trust Company to the credit of Julian D. Lewis, County Attorney, and to be protected by the county depository bond furnished by Waccamaw Bank & Trust Company, now held by North Carolina Bank & Trust Company for safe keeping, that the county of Columbus assign and release any right or claim it may have in and to said account to Julian D. Lewis, to the end that the said Julian D. Lewis, may be entitled to and receive for his own use any dividends that may be paid by any liquidating officer or receiver of the said Bank of Whiteville.
