Whereas, The Board of County Commissioners of Columbus County has had it brought to its attention by hundreds of citizens of Columbus County that a paved highway connecting Whiteville, the County seat of Columbus County, and South Port, the County seat of Brunswick County, would be beneficial to this entire section of South Eastern North Carolina, for that the present highway, which is North Carolina State Highway #130, is used to a great degree, not only for the touring public but more particularly for the transportation of farm products: and

Whereas, it is the understanding of this Board that the original highway program was intended to connect all county seats in the State and that this particular paved highway would connect such county seats: and

Whereas, the paving which this Board desires to be done by the State Highway Commission, and which the citizenship of Columbus County desires to be paved, begins at a point South of the town of Whiteville at the intersection of the Whiteville-Tabor hard-surfaced road and the road known as the New-Britton Ferry road, or State Highway #130 and runs to the town of Shallotte by way of the said New-Britton Ferry, connecting with a hard-surfaced road at Shallotte, and being a distance of approximately thirty miles.

Now, therefore, Be It Resolved by the Board of County Commissioners of Columbus County that the State Highway Commission be requested to investigate the plausibility and advisability of using a part of the Eleven Million (\$11,000,000.00) Dollars Federal Aid which is being turned over to the State of North Carolina for paving projects on the said highway above described: and,

believing this to be one of the most deserving projects in the State of North Carolina, and having heretofore been grossly neglected, this Board respectfully requests that the said investigation be made at a very early date.

Be It Further Resolved, that a copy of this resolution be sent to the State Highway Commission at Raleigh, and a copy recorded on the minutes of this Board.

Whereas, Certain citizens of Columbus County have petitioned the Board of County Commissioners of Columbus County to request the State Highway Commission to place upon the State Highway map as a class "A" Road, the road leading from Highway # 20 about two miles east of the town of Whiteville through Welches Creek Township and by the Red Hill Swamp, and intersecting with highway # 23 about two miles south of the town of Clarkton, N. C.:

AAC897

and

Whereas, the said citizens set out the fact that this is a much used road and accommodates a great many farmers, as well as the touring public.

Now, therefore, Be It Resolved by the Board of Commissioners of Columbus County that the State Highway Commission be requested to take over and place on said State Highway map as a class "A" Road the said road leading from Whiteville through Welches Creek Township and by the Red Hill Swamp, and intersecting with Highway # 23 about two miles south of Clarkton:

and

Be It Further Resolved: that a copy of this resolution, together with the petition, be forwarded to the North Carolina State Highway Commission at Raleigh, and a copy placed upon the minutes of this Board.

Ordered: that all persons soliciting laundry business, including wet or damp wash laundries, or soliciting business of or renting clean linen or towels, be taxed the sum of Twenty five (\$25.00) Dollars per annum by Columbus County for such soliciting. However, this order shall not apply to solicitors whose plants are located and operating within Columbus County.

It is further ordered that persons soliciting pressing and/or dry cleaning any articles of clothing, reshaping, cleaning and re-blocking any hats, shall pay a privilege tax of Twenty Five (\$25.00) Dollars per annum, Provided, however, this shall not apply to any persons soliciting for a person, firm, or corporation whose business is located and operated within Columbus County.

Whereas, the Board of County Commissioners of Columbus County realizes the necessity of paying the county's bonds and interest as they mature; and in order to forestall or avoid defaulting in such payments, it is necessary that Columbus County borrow immediately, the sum of Fifteen Thousand (\$15,000.00) Dollars: and

Whereas, the Waccamaw Bank and Trust Company of Whiteville, North Carolina, is now the holder of Revenue Anticipation Notes in the sum of Seventy Thousand (\$70,000.00) Dollars, and is willing to lend the County an additional Fifteen Thousand (\$15,000.00) Dollars contingent, however, upon certain actions of this Board, to wit, levying a tax for the year 1933 sufficient to take care of and pay off the County's ordinary obligations which will mature or be due in the fiscal year 1933; and, further contingent upon this Board's placing with the said Waccamaw Bank and Trust Company bonds of and owned by Columbus County in the sum of Fifteen Thousand (\$15,000.00) Dollars as additional security to the said notes held by said Bank, including a Fifteen Thousand (\$15,000.00) Dollar note to be dated July 1, 1933:

Now, therefore, Be It Resolved by this Board that when the County budget is made for the fiscal year 1933 that this Board agrees to approve a levy

of ten cents on the hundred dollars valuation to aid in taking care of the Revenue Anticipation Notes now outstanding, which said notes have been sold in order to meet bond and interest payments as they have become due. This ten cent levy as aforesaid, is to be made in addition to all other regular levies which shall be made sufficient to meet their maturing obligations for the year 1933 and, furthermore, bonds of and owned by Columbus County shall be placed with Waccamaw Bank and Trust Company as additional security to the Revenue Anticipation Notes held by the said Bank, these bonds to be in the sum of Fifteen Thousand (\$15,000.00) Dollars and to be in addition to any county bonds which might now be held as such security.

Be It Further Resolved, that a copy of this resolution be sent to the Waccamaw Bank and Trust Company, Whiteville, North Carolina, and a copy recorded on the minutes of this Board.

Ordered: that the following resolution be recorded relative to borrowing Fifteen Thousand (\$15,000.00) Dollars for General School purposes.

Be it ordered by the Board of County Commissioners of Columbus County that on a note of the County of Columbus be executed in the sum of Fifteen Thousand (\$15,000.00) Dollars, dated July 1, 1933, maturing ninety days after date, and bearing interest at the rate of six per cent per annum, interest payable at maturity; both principal and interest of said note payable to BEARER at Waccamaw Bank and Trust Company of the city of Whiteville, North Carolina, in anticipation of 1932 taxes, and that said note be sold or hypothecated and the proceeds thereof turned into the General Fund of said County of Columbus .
