The following business was transacted:

Whereas, the Board of County Commissioners of Columbus County has had it brought to it's attention by certain citizens of Columbus County that a paved highway connecting Loris South Carolina with Tabor North Carolina is very much needed, and that the distance of this project in Columbus County, North Carolina is only three-fourths mile and that the asphalt plant is set up in a distance of two-tenths mile of said project and the Board feel that at this time it will be most economical and essential to hard surface this small project while said plant is located at Mount Tabor, North Carolina;

Now, therefore, Be it further resolved by the Board of County Commissioners of Columbus County that the State Highway Commission be requested to hard surface this three-fourths mile of road which will connect Loris South Carolina with Tabor, North Carolina which is a distance of about six miles and the present mileage is about fifteen miles.

Be it further resolved that a copy of this resolution be sent to the State Highway Commission at Raleigh and a copy be recorded on the Minutes of this Board.

L. E. Formy Duval not voting for said resolution.

There being no further business to come before the Board at this time, adjournment was voted in order until July 11th, 1933.

Whereas, it was called to the attention of the Board that resolutions had already been passed by the two Boards separately asking for an appropriation on this same project; and

Whereas, it now appears that the two Boards working together can better represent their mutual interest by working together as a unit:

NOW THEREFORE, be it resolved that the Joint Boards respectfully request the State Highway Commission to carefully consider the petitions and resolutions heretofore adopted separately by the two Boards and that they investigate the merits of these petitions, and if necessary ask for additional information to the end that the proposed project will be given a very careful survey by the Highway Commission.

BE IT FURTHER RESOLVED, That the two Boards separately name a committee to represent the two Counties before the State Highway Commission; the Committee to be composed of seven, with four from Columbus and three from Brunswick.

Upon motion of Mr. W. L. Hobbs, seconded by Mr. R. C. Benton, the foregoing resolution was unanimously adopted, whereupon the two Boards retired and elected their committee.
