Emogene W. Suggs, Clerk

The following business was transacted:

The minutes of the previous meetings were omitted due to a heavy schedule for this meeting.

Mamie Flowers from the Chadbourn area came to ask the Board to sell the Columbus County Hospital to a private business. The Board stated that they and the citizens of Columbus County were proud of the hospital and thought it was a sound business and did not wish to sell it at this time.

of
Colonel Walters discussed the progress/the Economic Development Commission since he had been in Columbus County as Director in 1968. He stated that the County had been prepared for industry to come into the County by installing water & sewer systems, improving the airport, preparing a shell building, etc. At this time, he asked the County to sell five acres of land to the Whiteville Development Corporation for an industrial site to be located near the shell building. A motion was made by Commissioner Gore, seconded by Commissioner Watts, and duly passed to sell five acres of land to the Whiteville Development Corporation for \$1,000 per acre to be used as an industrial site.

Ordered: that the office of the Economic Development Commission be moved into the building known as the New York Cafe, now being remodeled by the Whiteville Chamber of Commerce to be used as office space.

Ordered: that Mr. Leo Mercer be reappointed to the Southeastern Economic Development Commission to serve another term.

Ordered: that tax listers be paid 30¢ for each correct crop report which has been previously 15¢. The State has increased its payment to the counties.

Ordered: that Edward W. Williamson, A. L. "Ben" Duke, and Emogene W. Suggs be authorized to sign cards in order for Williams & Associates to be able to obtain security keys for the Law Enforcement Center of Columbus County.

Ordered: that J. Hubert Norris be authorized to buy a lawn mower to be used at the County Hall. The Social Services will pay their share for use of the mower.

Ordered: that checks be written/ ^{from the Out-Door-Poor Fund} to the following people in the amount of \$25.00 each: Mrs. Grace Miller, Mrs. Joyce Nobles, and Mrs. Gordan Batten.

Ordered: that the following be appointed as Special Deputies upon meeting the requirements of House Bill #278 which authorizes Columbus County to appoint special deputies:

Jim D. Duncan	Chadbourn	Terrah Brown	Chadbourn
Jesse Barker	Tabor City	Wilson Griffin	Evergreen
Lewis S. Bahson	Chadbourn	Nathaniel Mott	Bolton
Charlie Cherry, Jr.	Hallsboro	Eugene Burt	Chadbourn
John A. Bryant	Tabor City	Earley Sealey	Cerro Gordo
		Frederick P. Cook	Riegelwood

A motion was made by Commissioner Watts, seconded by Commissioner Burns, and duly passed that the County of Columbus shall pay the N. C. Employees' Retirement System for conducting a pre-valuation regarding retirement program for employees of Columbus County. Said cost of pre-valuation study to be in the amount of \$90.00 plus \$4.00 for each employee concerned.

Mr. George Vaughn from the Fayetteville office of the N. C. Division of Community Planning brought the proposed amendments for zoning Columbus County for the Commissioners to review with their attorney and the attorney for the Planning Board for two weeks, at which time the Planning Board will ask the Commissioners to approve the plan.

Mr. Beverley Paul, Director of the Cape Fear Council of Governments, came to discuss the possibility of Columbus County receiving help through the Council of Governments for funding the Law Enforcement Center. The Board had been informed earlier that due to the fact that taxes had been levied to build a jail the Council of Governments could not provide any funds to aid in the construction of the jail. Mr. Paul disagreed with this decision and will contact the Attorney General for a ruling on this matter.

Mr. C. D. Raper made a report to the Board on the farming industry in Columbus County for 1970. He stated farming is still the largest income producer in the County. This year Columbus County and Bladen County are jointly setting up a program, through federal funds, to advise farmers about the correct use of poisons on tobacco crops. There will be scouts monitoring farms that wish to participate and advise the farmers on when and how to effectively treat crops.

Dr. Eugene Douglas, John McKee, and Cecil Brown from Southeastern Regional Mental Health Center in Lumberton came to get a statement of intentions from the Board as to their plans for participating in the mental health program in Lumberton next fiscal year. Dr. Douglas stated the plans are to continue on the present level for next year, which he feels is adequate at this time. The Board will consider the request and give an answer at the May 3rd meeting.

Mr. Crowell Black came before the Board and ask the Board to pass a resolution prohibiting self-service unattended gas stations in Columbus County. Upon the advise of the County Attorney the Board will look into this matter further before taking any action.

Ordered: that Chairman Edward W. Williamson be authorized to execute contracts for the construction of the Columbus County Law Enforcement Center in accordance with the bids heretofore accepted by this Board.

Ordered: that funds be transferred from the ADC Fund to pay the balance due on the Medicaid Draft for May expenditures.

Mrs. Alice Wright, Social Services Director, came to discuss the Public Assistance Budget for 1971-72. The Board advised Mr. Wright to not submit a tentative budget for the Medicaid Program at this time.
